

The Difference

you could make

£12

could provide an information pack for a newly diagnosed person with MND, so they know what to expect and how to access support

£600

could provide a child affected by MND with eight professional counselling sessions

£35

could fund an MND Connect helpline advisor for one hour, allowing them to provide information and support for anyone affected by MND

£750

could fund a wheelchair ramp, allowing someone with MND to continue to enjoy their garden and access the local community

£100

could buy a voice amplifier, boosting the volume of a speaking voice

£945

could provide a riser recliner chair to give someone with MND comfort and support

£250

could pay for a person with MND to download their banked voice

£2,500

could pay for the cost of detailed next-generation sequencing of 60 different DNA samples, to help better understand the causes of the disease

£200

could provide 40 copies of our guide for young people who are affected by MND: So what is MND anyway?

£5,000

could pay for a one day UK conference for researchers to meet, share their work, collaborate and generate new ideas for future research

Every donation makes a difference to a person living with MND. We ensure that every pound we receive is spent carefully so that people affected by MND get the support they need, both now and in the future.
